TELEGRAPHIC

"Blow for Blow."

On Monday evening the new piece which the Home Dramatic Club has been recently preparing will be rendered for the first time, and on the afternoon of the Fourth, will be repeated for a matinee. Few of the productions of the Home Club have been better advertised than "Blow for Blow," and none of them have excited more interest. The fact that Miss Ada Dwyer sustains the leading part in the drama lends an additional interest to this representation, and as Messrs. Wells, Spencer, Cummings, Dunbar, and Miss Claridge, Miss Clawson and Miss Dunbar are all billed in the cast, the programme promises to be one of unusual attraction. The Careless Orchestra which appears in its complete capacity with the Home Club, furnishes the music of the evening.

Reserved seats will be sold to-morrow morning, at the box office.
